Updated May 22, 2025

THANK YOU

Thank you for organizing a feis in Eastern Canada! We are so grateful to all those who run a feis in our region. The executive will do everything it can to help support and promote your feis so that dancers in Eastern Canada can continue to thrive in the world of Irish Dance.

REGISTRATION

Feis organizers must submit a form to the IDTAC-ER Feis Registrar to register their feis. This includes existing and new feiseanna, as well as any changes to established feiseanna. The link to the Google form can be found at on our region's website:

<https://www.idtac-er.com/regional-feiseanna>

We ask that you submit the registration form as early as possible. A feis is considered not registered until payment has been received:

- \$240 for a one (1) day feis
- \$320 for a two (2) day feis
- \$480 for a two (day) feis with a separate feis on each day
- All registration fees are non-refundable

Payment must be sent by e-transfer to idtace.treasurer@gmail.com six (6) months prior to the feis date. Please include the following note when sending the e-transfer: "FEISNAME Registration Fee".

ADMINISTRATION

The IDTAC-ER Feis Registrar will use a multitude of factors when reviewing the Feis Registration Form. It is important that all feiseanna work together to advance Irish dance in Eastern Canada. It follows that the following information will be considered in the review:
