About IDTACe

The Irish Dance Teachers Association of Canada – Eastern Region (IDTACe) is a non-profit professional organization representing certified Irish dance teachers and adjudicators across Ontario, Québec, and Atlantic Canada. As part of the international network under An Coimisiún Le Rincí Gaelacha (CLRG), IDTACe is dedicated to preserving and promoting Irish dance and Irish culture through excellence in teaching, performance, and competition.

Our members are passionate educators who foster discipline, confidence, perseverance, teamwork, and cultural pride in their students. Through championship events, workshops, and community initiatives, IDTACe supports dancers at every level — from beginner to world-class competitor.

One of the premier events supported by IDTACe is the Eastern Canadian Regional Oireachtas (pronounced oh-ROCK-tus). The word Oireachtas comes from the Irish Gaelic language and traditionally refers to a formal assembly or gathering, often of cultural or legislative significance. In the context of Irish dance, it represents a prestigious regional championship that brings together the top dancers to compete and celebrate Irish culture.

About The Event

The Eastern Canadian Oireachtas is the premier Irish dance championship event in Eastern Canada and one of the most significant competitions on the North American Irish dance calendar.

Held annually, the Oireachtas brings together hundreds of elite dancers, teachers, adjudicators, musicians, families, and supporters for three days of high-level competition and cultural celebration. The event also serves as an official qualifier for the North American and World Irish Dancing Championships, making it a cornerstone of competitive Irish dance.

The 2026 Eastern Canadian Oireachtas will welcome:

- Hundreds of championship-level dancers
- Thousands of spectators, families, and supporters
- Internationally certified adjudicators and musicians
- Vendors and community partners from across Canada and beyond

2026 Sponsorship Focus & Fundraising Goal

Investing in the Future of the Oireachtas

For the 2026 Eastern Canadian Oireachtas, IDTACe has established a **\$10,000 sponsorship and donation goal** to support the continued growth, quality, and sustainability of this championship event.

As the Oireachtas continues to grow in size, prestige, and competitive standard, it is essential that the event environment reflects the calibre of the dancers performing on stage. For this reason, a central focus of the 2026 sponsorship initiative is a **Special Capital Project: New Championship Staging**.

Championship-level staging plays a critical role in the success of the Oireachtas. High-quality staging helps to:

- Properly showcase dancers competing at the highest levels of Irish dance
- Provide a consistent, stable, and safe performance surface for athletes
- Enhance the overall professionalism and presentation of the championship experience

Unlike one-time event expenses, this staging project represents a long-term investment in the future of the Eastern Canadian Oireachtas. Once acquired, the staging will be reused at future championship events, benefiting dancers, teachers, families, and spectators across Eastern Canada for years to come.

By supporting this initiative, sponsors and donors are not only contributing to the success of the 2026 Oireachtas, but are also helping to build a lasting foundation that elevates the competitive experience and preserves the high standards of Irish dance in our region.

Benefits for Sponsors

Sponsoring the Eastern Canadian Oireachtas offers far more than traditional advertising or one-time brand placement. It provides sponsors with a meaningful opportunity to engage with a dedicated, values-driven community that is deeply invested in youth development, cultural tradition, and excellence.

The Oireachtas attracts families, dancers, teachers, and supporters who demonstrate strong loyalty to organizations and businesses that support their community. Many attendees travel long distances, stay in local hotels, dine at nearby restaurants, and shop on-site throughout the competition weekend, creating sustained and repeated exposure for sponsors.

Sponsor Benefits Include:

- Exposure to a highly engaged audience of families, youth, educators, and community leaders from across Eastern Canada
- Consistent brand visibility across a professionally managed, multi-day championship event with thousands of attendees
- Alignment with excellence and achievement, as the Oireachtas represents the highest level of competitive Irish dance in the region
- Connection to cultural heritage and tradition, supporting an event rooted in discipline, respect, and pride
- Association with youth development, athletic performance, and personal growth
- Partnership with a respected non-profit organization and a nationally recognized sporting community

Unlike digital or short-term advertising, sponsorship at the Eastern Canadian Oireachtas places your brand directly into the lived experience of attendees. Logos, signage, program advertisements, and acknowledgements are seen repeatedly over three full days of competition, ceremonies, and celebrations.

By sponsoring the Oireachtas, businesses demonstrate a genuine commitment to supporting youth, culture, and community — values that resonate strongly with Irish dance families and create lasting, positive brand impressions well beyond the event weekend.
